Slight change of plan this month, basically everything that was supposed to be running last month are now running this month

October (pt 1): PBI 2 campaign.

The PBI 2 Campaign will focus on the fall of France at the beginning of WWII and will climax with a “what if” scenario based around the proposed German assault on Great Britain, Operation Sealion.

See Steve for further details.

October (pt 2): Warhammer Quest.

A WQ campaign will also be running during September.

Richard C is running it and has put up some info on the Forum, so if you're interested please head on over & let him know who you want to play in the campaign.

Upcoming Events:

November: *MechWarrior: Battle for Beleraphon's Spear.*

The next MW: DA campaign will take place in October. There will also be a *Solaris VII* league run as well for when the campaign battles finish each week.

I'll be running the campaign, so if you're interested see me (*Jonathan*).

December: *TBA*

January: *LoTR campaign.*

Shaun will be running a *Lord of the Rings* campaign, using *The Return of the King* rules, more details as & when we get them. See *Shaun* for details.
