## Monthly Club Run Game

**July:** *Necromunda: The Sinister Dome*

Ed's going to be running a Map based Necromunda campaign in July.

Details are still being finalized, but you can see the work put in so far as well as follow each gang's progress during the campaign on his web page:

**Campaign Day:** *Saturday July 9<sup>th</sup>*

*Warhammer Ancient Battles: Sunset of Chivalry Campaign Day*

Brought to you by John Kersey and our very own George Moraitis the event follows on from last year's successful "Storm of Chivalry" event.

The themed campaign day will be for armies not exceeding 1500 points and to participate players will need a fully painted army chosen from the Warhammer Ancient Battles supplement, Armies of Chivalry.

Entry to the day will be £10

The Campaign Day Info & Rules pack can be found via a link on the club's site front page.

## Upcoming Games/Events:

**August:** *Blood Bowl & TBC.*

Aaron will be running a Blood Bowl league in August & someone will be running something else (possibly either GW's *Lord of the Rings: War of the Ring* campaign or the *Lustria Campaign*), that is still to be decided however, so keep checking the forum's & upcoming newsletters.

**September/October:** *Realms of Chaos: Lost to Darkness Campaign / Warmachine*

Well, the warbands have all been rolled up and work has begun on creating the monstrosities that will be fighting it out of the Realm of Chaos in the near future.

For anyone interested in keeping track of how we all do in the campaign & on the whole modeling/painting side of things, then

Rob has put a very nice website together, go check it out at:

[www.scrollmaster.net/losttodarkness](http://www.scrollmaster.net/losttodarkness)

Every other week during the 2-month run *Aaron* will be running Warmachine battles down at the club, so if you are interested then see him for details.

**November:** *Warhammer Quest*

Shadoblade returns to the club & he's bringing Warhammer Quest with him.

Keep your eyes on the forums for more information

## To Be Confirmed

**Warhammer Fantasy Roleplay:**

To be run by me (undead\_jon) at some point in the near future (maybe November), timing will depend on how much of the rules I can get read in the time available.

The current plan is that I want to run the new epic campaign that is being released, however nothing is definite yet and I'll be making inquiries around the club & the forums soon.
